

**Grants High School  
Acknowledgment of Student Handbook Form**

Parents,

In an effort to keep communication with our families as our priority at GHS, we are sending home this form for you to acknowledge that you have had access to our Student Handbook for the 2018-2019 school year. We did not print paper copies this year, but can print copies for families who would prefer this method.

Please send this form back with your student.
